BEEF LASAGNE

There is nothing like a good old-fashioned lasagne to bring the family together on a Sunday. This lasagne consists of layers of rich meat sauce, creamy cheese sauce and tender pasta topped with a layer of golden melted cheese.

REHEATING INSTRUCTIONS: BULK

Use a microwave, oven, or stove top to rapidly to at least 60°C. Don't heat food using Bain Marie's, pie warmers or other equipment designed only to hold food hot - this is likely to take too long or not heat the food enough to keep it safe.

Heat food to 60°C or hotter before transferring to hot-holding equipment. Ensure product is heated evenly throughout, not just at the edge.

Avoid reheating potentially hazardous food more than once, so it doesn't go through multiple warming periods

Check temperature with a probe thermometer.

For more information on cooling and reheating food safely, visit foodstandards.gov.au.
